Our Carcanet. GOOD BYE. BY J. DESEMBRES.

Good bye, good bye it is the sweetest That falls from mortal lips on mortal ear. The weakness of our human love confessing, The promise that a love more strong is

May God be with you!

Why do we say it when the tears are start Why must a word so sweet bring only Our love scens all sufficient till the parting, And then we feel it impotent and vain May God be with you!

Oh, may He guide and bless and keep you He who is strong to battle with your foes, Whoever fails, His love can fail you never, And all your need He in His wisdom

. ( Harris Hay God be with you!

Better than earthly presence, e'en the dear Is the great blessings that our partings For in the loneliest moments God is near

And from our sorrows heavenly comforts If God be with us.

Good-bye, good-bye, with latest breath we A legacy of hope, and faith, and love; Parting must come, we cannot long delay But, one in Him, we hope to meet above

Good-bye-'tis all we have for one another, Our love, more strong than death, is For none can take the burden from hi

If God be with us.

Or shield except by prayer, from any ill-May God be with you.

A Rust,-There's no music in a "rest that I know of, but there's the making of girls to one patient one; but it is only the swenty-first one that can do ber work, out and out, and enjoy it. For patience lies at the root of all pleasures as well as of powers. - Ruskin.

God is Alpha and Omega in the great world, endeavor to make Him so in the logue, and thy morning prologue; practice to make Him thy last thought at night when they sleepest, and thy first thought in the morning when thou wakest; so thall thy fancy be sanctified in the night and thy understanding be rectified in the day. So shall thy rest be peaceful, thy is specified. The result is said to be a congulation of the diptheric membrane and little world; make Him thy evening epibor prosperous, thy life pious and thy death glorious. — Quarles.

#### After Dinner.

"Give me," said Lubin to his fair, To whom he would be more than friend "Give me the little ring you wear,"
The like my love—it has no end."

"Excuse me, that I cannot do; My heart you have no hope of winning; The ring is like my love for you, For Lubin, it bas no beginning."

"There is a good specdoie of Fourness, sporting person of type(let us hope) happi-ly extinct. A Quaker said to him;

"Were I a bare, thee sho'dst never find me." "Ah, neighbor Broac brim, where is it? generally, to restore consciousness. I know every place from the Winn cover,

and lie in form beside thy big Bible." A sharp student was called up by

worthy p ofessor of a celebrated college and seked the question; "Can a man see without eyes!" "Yes sir," was the prompt answer. "How sir," cried the amazed professor, "can a man see without eyes?" "He can see with one eye, sir" replied the reapy witted youth, and the whole class shouted with delight at the triumph over

f'What is love, Nannief' asked a minister of one of his parishioners, alluding of "Hoot, fye, sir!" answered Nannie, blush ing to the e' enholes, "dinna asked me sic

#### The Home

Robert Burns, the Scotch poet, spaking of the qualities of a good wife, divided

there are to be real bonnets once more— the first opportunity, he sought revenge, bonnets with brims, crowns, strings, and this he got at the expense of his own perhaps curtains.

in a good sense. Bodily activity and night or meet him on the way home. bowels are loose, lie down in bed, remain there, and eat nothing until you are well.

fact that the disease has manifested itself in a more virulent form and more numerously in some of the large tenement houses music in it. And people are always missing that part of the life-melody always talking of perseverance, and courage, and fortitude; but patience is the finest and worthiest part of fortitude, and the rarest checked in its incipiency has been established.

> CURE FOR DIPTHERIA, -The ravages of liptheria in Australia have been so extensive within the last few years that the Government offered a large reward for any certain method of cure, and among other responses to this was one by Mr. Greathead, who at first kept his method a secret,

> person sitting, whese heart has nearly ceased to beat, his brain will fail to receive blood; if you lay him down with the head lower than the heart, blood will run into the brain by the mere force of gravity; and in fainting, in sufficient quantity,

THE RING FINGER.

taneously with the concluding "Amen," a far weightier reason prevailed with many to bear the matrimonial token. "The finger on which the ring is to be worn is the lourth figger of the left hand, next to the ittle finger; because by the received opin on of the learned and experienced in rip forth from the heart into this finger, the motion where of you may perceive evidently in all that affects the heart in women, by the touch of your forefinger. I used to raise such as are failen into a swoon by pinching this joint, and by rubbing the ring of gold with a little saffron; for, by this, a restoring force that is in it passeth to the heart, and refresheth the fountain of life, unto which this finger is joined. Wherefore antiquity thought fit to encomlife, unto which this finger is joined.
Wherefore antiquity thought fit to encompass it about with gold." He also states that this finger was termed "medicus," since, if any renom entered it, notice was idlers between the ages of eight and four given to the heart before it was too late to teen, and to put these habitual truants and juvenile idlers to school, not for fourteen

SAGACITY OF ANIMALS. A Dog's REVENCE -An Allentown [Pa]. of the qualities of a good wife, divided them into ten parts. Four parts he gave the "good temper," two his good sense," one to "wit," one to "beauty" (such as a weet face, eloquent eyes, a fine person, a graceful carriage), and the remaining two parts he divided amongst other qualities belonging to or attending on a wife, such as fortune, connections, education or ac complishments, family, and so on; but, he said, divide these two-parts as you please, remember that all these minor proportions in bonnets is most any one of them that is entitled to the dignity of an integer."

That is that in that place Henry Kap, paper says that in the Court House, in North, paper says that in that place Henry Kap, paper says that in that pl them into ten parts. Four parts he gave paper says that in that place Henry Kap-An approaching revolution in bonnets is announced by the Paris correspondent of a appears that the mare had some time ago London trade journal, who states that kicked the dog, an affront for which, at

NEWFOUNDLAND Dog .- Not long since Sound Common Sansa.—If you are well, a gentleman who carries the keys of one let yourself alone. One of the great errors of the bank vaults in Mashus was returning the age is, we medicate the body too let yourself alone. One of the great errors of the sage is, we medicate the body too much, the mind too little. More persons are destroyed by eating too much than by drinking too much. Gluttony kills more than drunkenness in civilized society. The best gymnasium is a wood yard, a clear ing, or a corn-field. A hearty laugh is maintained until home was reached. The ing, or a corn-field. A hearty laugh is maintained until home was reached. The known, the world over, to be a health pro- gentleman has owned the dog for years, moter; it elevates the spirits, enlivens the and what is singular never before knew circulation, and is marvelously contagious him to wander away from the house at

A Doe AT FAMILY WORSHIP .- " On my manifesting a desire to hear it, she said The three best medicines in the world are that a number of years ago she had a small The three best medicines in the world are warmth, abstinence and repose.—Dr Hall's Magazine.

The prevailing epidemic of the season is diptheria, but this disease more readily yields to medical treatment now than formerly. The persons attacked are generally young in years, none in New York city, as reported, being more than fourteen years of age. The prevailing causes which aid the d-velopment of diptheria are damp surroundings, impure air and a lack of clesnliness. This is established by the lack that the disease has manifested itself.

That a number of years ago she had a small dog that was very affectionate in his dispands that the disease in his dispands that make the disease in his dispands that the disease more readily position and domestic in his faiture. That does not him fature. That during the time she owned him, which was a position and domestic in his faiture. That during the time she owned him, which was severally say on as her had a small dog that was very affectionate in his dispands one acre and fifty-four hunders as everal years, whenever morning or evening prayers were attended to, as soon as her husband, who was a physician, took up the Bible to read a chapter, Fiddie would jump into her lap, and, after kissing her on the cheek, would lie down and keep perfectly still until the doctor finished the development of diptheria are damp surroundings, impure air and a lack of the particular chair, and sitting on his limit feet, would raise his forefeet to the Baldwin; there are south fifty-two degrees forty-four minutes west two hundred and him dere the chair, and placing his pass one.

part of the house apparently perfectly contented with himself and everything about him. This little fellow slept in the bedroom of Mrs. G.'s stater; and each night before retiring would go to the washatand and hold up his paws until some one washed them for him."

join in the song, and turning round she saw sent such malvels of illustrative engraving as it standing on it hand feet, endeavoring to no popular magazine has been able to publish. Its writers will be, as they have been, the choice

gulation of the diptheric membrane and its ready from the patient recovered in almost every in stance.

The Terrier on Voluntary Guarding in the patient recovered in almost every in stance.

To Restore Fainting Persons.—It is altogether wrong to hold up a fainting person and e-pecially to keep the head exect. Fainting is caused by want of blood in the Brain, the heart failing to act with sufficient force to send the blood sgainst the large of gravitation. If then, you place a stance is at all events a notable instance of a well-with the properties of the properties of the properties of a person of a well-with the capture of the properties of the proper what is usually described as sagacity, but which may be more justly termed reason in the dog.

WILLIAM CULLEN BRYANT'S EIGHTMETH

A FARMER'S VACATION IN EUROPE.

Six articles recounting the experience of a well known American f rater and engineer (CULONEL WARING, of Ogden Form Newport, R. i.) during a tour through some of the less frequented parts of Western Europe, in the Autumn of 1878.

BIRTEDAY - "Mr. William Cullen Bryant, who on 8d, inst. completed his eightieth FRENCH LITERAJURE & PARISIAN LIFE year, was made the recipient of an approper by ALBERT RHODES, with illustrations by priate testimonial of respect and esteen. French Artists, will appear during the year. We have already noticed the mode of procedure adopted by bridegrooms in placing the ring upon the fourth finger of the dent for many years. Yesterday after anon with its illustrations. A story, by SAXE HOLM priate testimonial of respect and esteem, eft band. Though it was reached simul- Mr. Bryant was waited upon at his residence, by a committee of twenty-five, appointed by the Club to inform him of what had been determined upon by them. Mr. Sturgess, the Chairman of the committee read a written, address congratulating. Mr Bryant upon the great age at which he had arrived, and upon his long and distinguish ping up and anatomizing men's bodies. In honor to Mr. Bryant and to fittingly there is a rein of blood which passeth from the fourth finger into the heart, called vens members of the Century Club had ordered ed career both as a poet and a i urnalist. there is a vein of blood which passeth from the fourth finger into the heart, called vensuamors, hove's vein; and so the wearing of the Century Club had ordered to be prepared a vase, on which represents the ring on that finger significant that the love should not be vain or fained, but as they did give hands each to the other, so like wise they should give hearts also, whereunto that wein extended."—Soin memorial of their esteem and affection. Mr. The Eight Bound Volume. a daft like question; I'am sure ye ken as they did give hands each to the other, so This when finished would be placed in the a daft like question; I'am sure ye ken as they did give hands each to the other, so meet as me that loves just next to cholers. likewise they should give hearts also.
